

ACUMEN SIMPLEX™ CABINETS

The Acumen Simplex™ Cabinets are designed to store hazardous waste in a safe, simple and cost effective manner ensuring comprehensive environmental compliance.

Stay Environmentally Compliant

The Hazardous Waste (England and Wales) Regulations 2005, states all types of Hazardous wastes have to be completely segregated from your general waste and disposed of correctly. Typical waste storage arrangements such as pallets and drums are prone to damage, if rainwater gets in the wastes becomes far more problematic to dispose of.

Acumen Simplex™ cabinets offer:

- An insurance preferred solution
- All Inclusive monthly rental including documents and environmental statistics
- Built in Drip tray in case of spillages

Available in multiple sizes for the safe storage, transport and disposal of your hazardous waste.

Small W1100 x D750 x H1970 (mm) (Drip Tray Capacity 100 litres) Weight: 170 kg

Medium W1700 x D1400 x H2350 (mm) (Drip Tray Capacity 400 litres) Weight: 265 kg

Large W2877 x D1500 x H2505 (mm) (Drip Tray Volume 800 litres) Weight: 535 kg

X Large W6096 x D2388 x H2 312 (mm) (Drip Tray Volume 3500 litres) Weight: 2495 kg

We can tailor the internal specification to suit your requirements.

Typical wastes include: Absorbents, Aerosols, Fluorescent tubes, Light bulbs, Glycol, Oil filters, Waste oil, Paint, Solvents, Small batteries.

Please contact us with your requirements and we will be happy to help find a solution.

Built in Fire Extinguisher
automatically activating at 200°F

Online Client Area with Real Time Reporting

We realise that traceability, ease of auditing, transparency of transactions and movements of waste are paramount to your business. Providing full clearance certification and a duty-of-care audit trail to demonstrate the use of compliant solutions is a legal requirement under the duty of care set out in accordance with Section 34 of UK's Environmental Protection Act.

We provide detailed online reporting through the password protected client area on our website. Important information such as Environmental Permits, consignment paperwork, weight tickets and audit reports are uploaded on a daily basis. All our vehicles are tracked using satellite technology so your site managers receive logistic information in real time.

24 Hour Spill Response

As accredited spill responders we offer a highly trained and experienced team to respond to all types of land and water spills. We attend to emergencies such as:
Fuel oil spills, chemical and toxic substance spills, emergency clean ups, water contamination, hazardous substance identification and chemical and hazardous substance RTA incidents.

We will provide: vacuum tankers, drums and packaged waste re-packaging, high pressure jetting, remediation, waste collection and disposal.

First Line Responders

We are first line responders for emergency response, environment protection, working with HSE and EA and the emergency services.

Make sure you have our hotline number - 0843 6580513

Providing a Nationwide Service

Our multiple service locations throughout the UK means we can provide UK-wide coverage for the collection of waste materials.
